Top Story

Well not much. Every week artists keep cranking out some great music but on the news front things seem quiet. But that certainly never stops our freshly rescued new reporter Vosto Vlad from having at least something to say. Let see if we can get a hold of him to see if there is anything going on over there.

Skit

Tampa Florida artist Dreamchaser dropped a new single last week. With vocals and lyrics by Aaron Marsh of Copeland, here's Neon Nights by Dreamchaser, right here on NightrideFM

Artist Interview with Syst3m Glitch (Bobby)

- When did you first pick up an instrument?
- Singing..how does that work? ← this question, hahahahaha
- Dropped into the synth scene in 2020?
- Fresh singles!

🎵 **Syst3m Glitch and Van Derand - Stars Shine Bright**

- Your song Stars Shine Bright...who is Van Derand and how did you hook up?
- Who's the vocalist on that? Mrs. Glitch?
- Remixes work...it's awesome! Your latest is Geovoc's? Your Oakley remix of Control was bananas, you've remixed .jacket as well, Droid Bishop, The Midnight

🎵 **Syst3m Glitch - Young and Wild and Free (Premiere feat Jesse Malloy)**

- Your new album Beyond Stars coming on Aztec Records? When is it dropping? Merch, vinyls!
- Collabs... TK, Morphoice, Neon Arcadia, Runaway Droid, Yoru, Dimi, Sunesis, AMD, The Glamboys?

From Florida, we head over to Dallas Texas,, with Vic-20's new single EP called Arcade Crush. With 3 different versions of the track, we've selected the more epic one clocking in at 6 ½ minutes. This is Vic-20, with "Arcade Crush (the Full Adventure)", here on NightrideFM
