🎵 Jacket. and Graystars - Take My Light (Van Derand Remix)

**INTRO**

Welcome to The State of Synth, I'm Groot, and I'm Neon Fawkes! Tonight we will be joined by Jonny Fallout!

That first track you heard before our intro was the new collaboration from Jacket. And Graystars (from A Dollar Underwater), called "Take My Light" and that was the Van Derand remix.

Top Story (Dennis)

NewRetroWave embarks on a new movie project. NRW, everyone's favorite video upload channel, has recently announced that they will be starting up a new movie studio. With more on this story here is Nightride FM's own Kittle Caboodle.

Ultraboss has released a new album called "Yachtmaster" on Rosso Corsa Records, and it is a departure from his previous works. This album has a nice contemporary rock sound right outta the 80s, with vocals no less! From the album "Yachtmaster", this is "Where the people Dance" by Ultraboss, here on NFM.
