UK artist Neilio dropped a single earlier this year featuring the voice of our very own Kaarin Zoe Lee. Neil resides in Newcastle Upon Tyne, and I'm just mentioning that because I love saying "Newcastle Upon Tyne". Recently, NRW has added the track to their channel, which is an amazing achievement. Congrats to Neilio and KZL! Here it is, "Cypher", here on NFM.

Right. The Baltimore man with the vocal chords, Power Rob, has teamed up with Vancouver artist Miami Nights 1984 for this new single which drops next Tuesday, Nov 28th. Luckily for you, he's given us an early copy to premiere tonight! This track is a smooth dreamwave ride with great feels. This is Power Rob feat MN1984 with "Restless Summer", here on NFM.

We are going to play you out with an amazing track, over 7 mins long, from everybody’s favourite space overlord, VOLKOR X. He’s released a new concept album called “The Loop” which is simply incredible, and here’s the last (and titular track).

From all of us at NFM, have a Good night!
